## Fiscal Year 2018 All-Funds Budget

To ensure full budgetary disclosure within Illinois public universities, the Illinois Board of Higher Education requires each public university Board of Trustees to approve a budget for the upcoming fiscal year. The plan must include all sources of university funds categorized by State Appropriated Funds, University Income Funds, Auxiliary Services Funds, and All Other Non-Appropriated Funds. The budget approved by the Western Illinois University Board of Trustees is submitted to the Illinois Board of Higher Education, Illinois State Legislature, and the Governor.

The following table presents Western Illinois University's Fiscal Year 2019 All-Funds Budget to be approved by the Western Illinois University Board of Trustees. This budget is presented with a FY2019 state appropriation of \$47.2 million. This is the amount that was passed by the General Assembly on May 31, 2018.

Statewide budgeting for higher education follows a two-step process. Prior to the start of the fiscal year, the Western Illinois University Board of Trustees must approve a preliminary spending plan for the next fiscal year beginning July

#### Fiscal Year 2019 Spending Priorities

Following a fiscally conservative model, Western Illinois University's annual budget preparation process uses the previous year's budget and Strategic Plan priority and resource allocation decisions as base. This practice successfully supports advancement of the University Mission Statement and attainment of institutional goals and priorities stated in Higher Values in Higher Education.

As guided by Higher Values in Higher Education, funds will be applied to the University's highest priorities, including increasing faculty and staff salaries to meet and exceed the average of peer institutions, support for academic programs, deferred maintenance, student recruitment, marketing and support for student scholarships and retention efforts.

Pending Board approval, the University will continue to aggressively pursue Strategic Plan priorities. Personal services, Medicare, and CMS health insurance expenditures totaling \$128.1 million represent 55.4 percent of the University's Fiscal Year 2019 planned all-
