

The Department of Communication Internship Program routinely seeks feedback from student interns and their on-site supervisor's so that we can monitor the quality of the program and enhance its benefits for both students and their internship sites.

The attached supervisor's survey will take approximately five minutes to complete. If you elect to write extensive comments (we hope that you do) it may take somewhat longer. Your answers will remain confidential and will only be used to enhance our internship program.

Completion of this survey will help us place better trained interns in the future. We thank you for your thoughtful input and welcome any comments you might have. If you have any questions about this survey or the internship program please contact Ms. Stacey Macchi, Internship Coordinator at (309) 298-1794 or Chair, Department of Communication, at (309) 298-1507.

Cordially,

Stacey Macchi
